REDUCING BODY INFLAMMATION IN THREE SIMPLE STEPS Most people don't know what a body inflammation is and how dangerous it can be. Very often people come to the doctor when the stage of inflammation has already started and is about to cause some serious health problems. What causes inflammation? The Nr 1 factor that causes inflammation is the fuel of our body FOOD that we eat every day. The solution you'll find right in this book. After 15 years of experience and practice in the health and nutrition field I decided to create a guide that will allow people to change their perception about useless weight loss diets and teach how to cut the deep roots of bad eating habits and treat the real cause of lifestyle diseases and obesity. Here is just a short brief of this book: Correlation between nutrition and mental health, Natural ways to lose weight fast, Healthy eating habits you must apply to your diet, 50 anti-inflammatory foods you should have in your diet, Delicious anti-inflammatory diets, recipes for breakfast, lunch and dinner, Recipes to heal your immune system. And so much more. How much weight can one expect to lose by following this diet? The answer to this question is simple. You can lose as much weight as you want but this book is created to teach people how to achieve their natural weight range according to their health condition. I have shared in this book all my knowledge on how to naturally fix the body inflammation. Your clients will love this book. It not only gives a ready-made meal plan and tasty recipes to get started but it will also teach them the principles of healthy eating so that they can easily stay on track and never get misled in this complicated world of health and wellness. Get 200% more energetic and become a super healthy human with the anti-inflammatory diet. Inside your body there's a constant warfare. In fact, inside your body there are probably a few thousands of kinds of bacteria, genetic defects and viruses that can kill you. Thanks to our strong and intelligent body we usually fight those successfully. But instead of helping our body and providing it with the right tools to defend itself we often make the battle harder than it should by eating inflammatory foods. Not only inflammatory foods are bad for your health but they can also make you gain fat, lose muscle mass and make you a slow, unhappy human being. In this book you'll discover: What is the Anti-inflammatory diet and why is it becoming so popular? The important benefits of the Anti-inflammatory diet. Hint: It's not only weight loss. Full list of foods to avoid, foods to eat. Tips, techniques and strategies to stick to the anti-inflammatory diet effortlessly. And much, much more. FAQ: What if I don't know how to cook? That's not a problem. You'll find inside this book dozens of recipes that even kids can make. How fast can I expect results? While results may vary depending on the individual you can usually see results in less than 1 week. More decent results will appear after 3 weeks. Is this diet hard to maintain? On the contrary. Because you're going to heal your body from toxins you'll find that it's TREMENDOUSLY easy to avoid unhealthy food. As a result you can expect to burn fat, get leaner, get more energetic and even become happier. When you're in this momentum you won't even notice that you're missing anything. Take action now.
