Analysing the Use of Social Media by ISIS* Lisa Wiechert,2017-06-02 Social media has played a central role in the digital era for almost a century influencing almost all aspects of life The use of social media in warfare is threatening not only one country but the whole global community is a recent development The famous speech by Abu Muhammad al Adnani on social media inspired the bloody month of Ramadan in 2016 and showed the deadly power of social media inspired attacks and what the Islamic State is capable of achieving Although the terrorist group has lost territory over the last few weeks of combat both in Syria and Iraq and is on the edge of losing their main capital Mosul IS still remains a hybrid threat Consisting of military powers and an unmatched affinity of using social media as a cyber war weapon IS will continue to be a severe danger to the global community This book aims to foster a deeper understanding of the use of social media for recruiting efforts by the so called Islamic State IS and to analyse its propaganda methods in order to develop possible countermeasures A special focus will be put on the method of recruitment of young Western foreign fighters These individuals are the easiest to recruit for ISIS and pose the greatest risk to the global community especially in regards to home grown terrorism and so called lone wolf attacks Since this area of research is very new and quickly evolving the field still needs extensive research It is difficult to analyse the use of social media content by the Islamic State due to limited information access and flow encryption propaganda verification and inconsistency The Islamic State is a military threat on the battleground as well as a potential cyber threat for the international community Despite these challenging circumstances this book will provide a new theoretical model based

on the marketing model of a customer journey in connection with the main principles of storytelling Ultimately this research work will try to provide experts with a new and modern approach of analysis as a base for possible counter measures to weaken and combat the current threat posed by the Islamic State From the text Islamic State Terrorism Social Media Propaganda Institutions Radicalisation Distance & Supported Open Learning ,1999 **The McGraw-Hill 36-Hour Course: Online Marketing** Lorrie Thomas,2011-01-07 A crash course on the most dynamic marketing platform today Online marketing has evolved far beyond flashy websites and banner ads shouting at customers about your product It s about using an array of Internet tools to build credibility and visibility spread your message and form meaningful customer relationships The McGraw Hill 36 Hour Course Online Marketing puts you on the fast track to harnessing the power of the Web for your marketing goals It begins with planning and building a website and then provides in depth coverage of essential online marketing tools and techniques such as Content marketing and blogging Social media marketing Web analytics Search Engine Optimization SEO E mail marketing Online Public Relations Earn a Certificate of Achievement Through A Free Online Examination The McGraw Hill 36 Hour Course Online Marketing spells it all out in easy to understand terms and actionable steps You re already on your way to Web marketing mastery **Global Content Marketing: How to Create Great Content, Reach More Customers, and Build a Worldwide Marketing Strategy that Works** Pam Didner,2014-12-19 Engage Customers Around the World with Cross Regional Content Marketing Technology has virtually erased national borders forever transforming the way we reach and engage customers as well as the way we search for and consume content Global Content Marketing takes you step by step through the process of creating and refining your strategies to meet this new reality LEARN HOW TO Create content that engages people regardless of their country and culture Identify key actions and strategies to apply to your projects Connect dots that others don t see and connect them in ways you never thought of before Content marketing across geographies is a different animal In this smart practical and authoritative book Pam Didner has tamed this animal for all of us DOUG KESSLER Creative Director Velocity A valuable guide to developing and distributing your global content effectively NANCY BHAGAT former VP Global Marketing Strategy Intel and current Divisional CMO TE Connectivity This book is the blueprint for engineering a modern scalable content marketing operation PAWAN DESHPANDE CEO Curata Finally the book that explores all critical aspects of global content marketing Whether you are a small business or a Fortune 500 company it is essential to understand the 4P s developed by Pam Didner Read it and take your content strategy to the whole new level EKATERINA WALTER author of Think Like Zuck and coauthor of The Power of Visual Storytelling **Validating the social media strategies of adidas and Nike on Facebook and Instagram** Anna Lena Bischoff,2017-03-03 Seminar paper from the year 2017 in the subject Business economics Offline Marketing and Online Marketing grade 1 7 Linneaus University School of Business and Economics course E Business Management language English abstract Social media SM strategies have gained major importance for the

retailers in the last decade The effective use of SM channels for marketing purposes leads to valuable information and insights about markets However many managers still fail to understand the importance of the possibilities of SM usage for strengthening brand perception This might be due to the lack of commonly agreed SM success factors in academic research The purpose of this paper is to discuss SM success factors and to evaluate how the two world leading sports brands NIKE and adidas follow the application of the discussed success factors Based on a literature review the authors summarized the most commonly discussed SM success factors Data collection was conducted in a consecutive two step approach first extracting relevant data from the annual reports and then withdrawing data from the companies SM channels through text mining The data was then analysed according to the success factors summarized from academic literature Also NIKE s and adidas accomplishments in achieving their goals set in the annual reports on SM were examined adidas achieves a higher success rate than NIKE in laying out their SM strategy Both adidas and NIKE cannot entirely live up to their ambitions underperforming on SM in practice
