

## CBSE Class 10 English Chapter -The Proposal Summary

The chapter, *The Proposal*, is a comedy-drama that is based on the tendency of two wealthy families who seek ties with each other to increase their estates by encouraging marriage that would improve their wealth. The play began with Ivan Lomov, who visited Stephan Chubukov, a wealthy neighbour of Lomov. Lomov was a wealthy person himself who was dressed neatly and had come to seek Chubukov's twenty-five-year-old daughter, Natalya Stepanovna's hand in marriage. Initially, Chubukov was curious about Lomov's sudden visit and assumed that the young man had come to ask for money which he might not return.

Lomov was a thirty-five-year-old gentleman who suffered from severe heart-throbbing and became upset easily. He thought that Natalya was an excellent housekeeper, a well-educated and average-looking woman who would be an ideal partner to marry. However, when Chubukov heard about the proposal, he was glad and embraced Lomov. He immediately rushed inside to call his daughter, Natalya.

When Natalya arrived, Lomov began the conversation about how both families share a cordial relationship. As he spoke about his land Oxen Meadows, which was a disputed property, Natalya objected that the land belonged to her family. Lomov yelled back, stating that the land belonged to him. Both of them had a heated argument on this topic
