You Only Die Once Jodi Wellman,2024-05-07 A kick in the pants wake up call to start living meaningfully in light of how many Mondays you have left from longtime coach positive psychology expert and Penn Resilience Program instructor Jodi Wellman Wellman poses a profound question we too often avoid How many Mondays do you have left This book will jolt you out of complacency and redirect your limited time toward joyful meaningful pursuits Daniel H Pink 1 New York Times bestselling author of The Power of Regret Drive and A Whole New Mind How many Mondays do you have left Does that question send you into a panic spiral or are you convinced that unlike everyone in the history of life on earth you will somehow avoid the tragic end and live to tell the tale Statistically we get about 4 000 Mondays in our lifetime so if you re halfway through your life you might have roughly 2 000 Mondays to go The good news is that you are in charge of how you spend those days toiling at a job you hate or creating a career you love scrolling mindlessly for hours a day or pursuing the hobbies and travel that light you up dreading the end or living a full life that allows you to greet the Grim Reaper with a smile Built around the principles of positive psychology You Only Die Once is the jolt that will bring you back to life no near death experience required Full of practical takeaways and research backed content this book will motivate readers to take action on the life they want to be living acting like a defibrillator for the soul Accompanied by author Jodi Wellman s charming illustrations this book won t lecture you about eating more kale or insist that the only path forward is to quit your job and move to Provence although it s not suggesting you do that either The latter that is We d never ask anyone to eat more kale Instead it s a real life guide to small changes that reawaken your passion and curiosity for life Packed with inspiring stories exercises quizzes quotes and a step by step plan to awaken the liveliest version of you You Only Die Once is the healthy dose of mortality you need to start living with urgency and meaning

Spinal Asymmetry and Scoliosis Suzanne Clements Martin,2018-10-01 Dr Martin s book provides a theoretical framework and specific progressive exercises in the Pilates environment in their work with those individuals who have asymmetries of the spine ribcage and pelvis associated with conditions such as scoliosis This book helps Pilates instructors who want to move beyond basic certification to work safely and effectively with those who have structural and functional asymmetries The many musculoskeletal ramifications of spinal asymmetry are explained based on relevant anatomy and current theories of causes of deformity thus throwing light on an often confusing topic A developed framework offers practical solutions that will further the body of knowledge in the specialized education of Pilates instructors by enabling them to learn a safe and systematic method of instructing those with scoliosis This framework helps instructors administer individualized Pilates exercise progressions These comprise creating a

client profile for the individual developing concepts and considerations for effective exercise delivery and execution and presentation of those exercise progressions In addition two important aspects not yet found within the Pilates field are addressed The first is the importance of the significant role outlining the scope of practice of the Pilates instructor in the care of those with spinal asymmetries And secondly is to identify separate approaches necessary for differing populations at distinct times of life Stages such as youth and adult each require a certain approach The decades of young adult mid life and elder years present special challenges due to the co morbidities associated with the adult with scoliosis
