**Hadith of Imam Al-Nawawi** Yahya Ibn Sharaf Al-Nawawi, 2022-05 There were some scholars who collected forty hadiths on

the fundamentals while others did so on derived matters others on jihad others on indifference to worldly things others on conduct others on speeches etc and all of them are sound directions may Allah be pleased with those who followed them But I have considered collecting forty more important than all of those and they would be forty hadiths inclusive of all that but each hadith would be a great precept from those of the religion one that scholars had described as being the axis of Islam or half of Islam or a third of it or something similar Furthermore Imam al Nawawi would commit himself regarding these forty to their being authentic and most of them are found within the two Sahih s of al Bukhari and Muslim He cites them with the chains of narration deleted in order to make their memorisation easy and their benefit widespread The present selection is generally regarded as the most popular anthology and the best introduction to the study of prophet Muhammad s sayings which together with the Quran contain the essential teachings of Islam
