Mencken at the *Smart Set* and the *American Mercury* William Gaines and Al Feldstein at *EC Comics* Hugh Hefner at *Playboy* Lawrence Ferlinghetti at *City Lights Books* and Barney Rosset at *Grove Press* taught their readers to approach even the most scandalizing texts with the same cold calculation and professional reserve they employed in their occupations Along the way these editors kicked off a middle class sexual revolution in which white collar professionals imagined they could control sexuality through management science Obscenity is often presented as self-shattering and subversive but with this provocative work Carroll calls into question some of the most sensational claims about obscenity suggesting that when transgression becomes a sign of class distinction we must abandon the idea that obscenity always overturns hierarchies and disrupts social order Winner of the 2022 MLA Prize for Independent Scholars sponsored by the Modern Language Association *Maximum Rocknroll*, 2004 Reports of Committees of the House of Representatives, 1872 **The Black Flame**, 1989 **Testimony Taken by the Joint Select**
