These are 20 popular TOEFL speaking topics in 2018-2019 exams. The sample answers are to give you inspirations to prepare speaking questions. Please don't use these answers directly in any real test scenarios. If an examiner thinks you are copying answers from the Internet, he or she hardly reward you a good score.

1: Describe a place you have never been to but like to go someday.

Sample Answer

I prefer to go to a seashore town someday. When I was a child, the sea I watched on TV gave me a sweet memory, since then I have a desire to go to the seashore someday. I consider the life near the shore is comfortable, for the sky there is blue and always full of sunshine, seabirds are singing, and the ocean breeze is blowing. I'm willing to swim in the sea or lie on the beach for a rest, which I could never enjoy in metropolis. Moreover, I could taste seafood, such as lobsters and crabs. Therefore, if I can go to a seashore town someday, it must be a beautiful memory in my life.

2: If your friends from other country are going to visit your country, where do you suggest them to go?

Sample Answer

I want my friends to go to a seashore town in my country. I believe they can't find seashore as enjoyable as the seashore I want them to go. The life near the shore is comfortable, for the sky there is blue and always full of sunshine, seabirds are singing, and the ocean breeze is blowing. They can swim in the sea and lie on the beach for a rest, which they could never enjoy in their country. Moreover, they could taste seafood that only produces in that seashore such as local lobsters, crabs, and fish. So if they can go to a seashore town someday, it must be a good memory in their life.

3: What are the significant features of cafe or restaurant you like

Sample Answer

Well, I prefer a cafe or a restaurant that is quiet and clean. First of all, a calm place is right for me to enjoy a relaxed meal and I won't be bothered by a noisy surrounding. I can have a conversation or a talk with friends if it is quite nearby, that we won't have to shout to each other. Second, a clean place to eat could make me have a good appetite, and I could eat more when the tables and plates are clean. I consider a decent restaurant can also be excellent in making food. So in conclusion, I like a restaurant or a cafe has the features of clean and quiet.

4: Do you think we should keep or save the old building in the city?

Sample Answer

I hold the opinion that we should keep most of the old buildings in the city. I admit that some of the old buildings are a bit neglected right now. But the issue is bigger than that. If we destroy the old buildings, we will be destroying a vital piece of history. The buildings many experienced many events, and celebrities might live in it. They are the memory of the things in the past. And it wouldn't be all that difficult to fix them up either. However, there are some old buildings which have less value could be torn down for the city development.

5: Describe a place, for example, a seashore park in your city where you often visit.

Sample Answer

The place I usually go to is a seashore park in my city. When I was a child, my parents always bring me there, and I had a lot of enjoyment. Then I grew up, but I still consider it a beautiful place. The life near the seashore is comfortable, for the sky there is blue and always full of sunshine, seabirds are singing, and the ocean breeze is blowing. I swam in the sea and lie on
