Directory of Best Indian Blogs | top Indian blogs in 2025

This is the latest (15th) edition of the Directory of Best Indian Blogs, published every year since 2010. The blog list has about three hundred blogs (in English) maintained by top Indian bloggers. 'Indian' in our context refers to 'maintained by an Indian' as well as 'focussed on India'.

Most of the blogs listed here are personal blogs. In addition, collective, corporate, media and institutional blogs find a place in case they are maintained as blogs and have good quality and regularity. We do not judge the blogs by their ideology. However, we do not include blogs that exceed the limits of societal norms, e.g. of nudity, religious discourse and political criticism.
