The Eden Way: Reclaiming Your Body, Mind, and Spirit Through the Creator's Original Design Angel Tate Keaton, 2025-09-08 The Eden Way Reclaiming Your Body Mind and Spirit Through the Creator's Original Design What if healing isn't something you have to chase but something you remember The Eden Way invites readers back to the beginning not as nostalgia but as restoration Rooted in Scripture ancient wisdom and whole being wellness this book explores what life looks like when body mind emotions and spirit are brought back into alignment with the Creator's original design Rather than offering quick fixes or rigid formulas The Eden Way gently dismantles the modern narratives that have separated faith from the body health from holiness and rest from purpose It reframes wellness as a sacred return one that honors nourishment movement breath rest emotional integrity and spiritual connection as inseparable parts of a healed life Through reflective teaching practical insight and compassionate truth telling this book addresses Why the body was never meant to be ignored or shamed How modern culture distorts health productivity and worth The connection between nervous system regulation rest and spiritual trust How creation rhythm and Sabbath restore what striving breaks What it means to live aligned rather than exhausted Written for those who are weary of fragmented wellness and longing for something truer The Eden Way is both an invitation and a pathway calling readers out of survival mode and back into wholeness This is not about returning to perfection It's about returning to design And learning how to walk again in the garden
