

The book cover features a collage of structural engineering projects. At the top left is a modern building with a complex, faceted facade. To its right is a large stadium with a distinctive white, ribbed roof structure. Below these, on the left, is a large, curved, wooden structure, possibly a bridge or a large pavilion. On the right is an aerial view of a complex highway interchange. At the bottom is a wide view of a cable-stayed bridge over a body of water, with a city skyline in the background.
