How To Start Us National Parks Explained For Students

LL Leslie

How To Start Us National Parks Explained For Students:

Eating in US National Parks Kathleen LeBesco, 2024-02-26 This book presents a fascinating exploration of eating experiences within US national parks explaining how on what and why people eat in national parks and how this has changed over the last century National parks are enjoying unprecedented popularity and they are especially popular sites for the expression of cosmopolitanism an ideological outlook descended from the Romantics on whose vision the parks were originally founded The book explores the constructed foodscape within US national parks situating the romantic consumption ethos within the context of sociological work on distinction culinary tourism and culinary capital It analyzes and problematizes elements of cosmopolitan taste and desire examining food tourism in wilderness spaces that satisfies cosmopolitan hunger for authenticity and a certain type of self making Weaving together strands of research that have not been previously integrated the book gleans meaning from concessions menus and park restaurant web pages and employs audience analysis to take stock of park restaurant visitors contributions to restaurant review websites as well as to understand how they represent their park eating experiences on social media The book examines how satisfying cosmopolitan tastes in the parks creates profit for corporate concessioners but also may produce bioregionalist successes and a recentering of Indigenous foodways It concludes by exploring inroads to a better food experience in the parks involving food products and processes that are regionally locally specific where tourists witness and participate in food production and enjoy commensality but that are also non extractive and show care for the environment and the people who inhabit it This book will be of great interest to students and scholars of food studies tourism and hospitality sociology of culture parks and recreation American studies and environmental studies The book will also be of interest to parks and recreation decision makers sustainable tourism leaders and hospitality managers

National Parks, 1999-11 The flagship publication of the National Parks Conservation Association National Parks Magazine circ 340 000 fosters an appreciation of the natural and historic treasures found in the national parks educates readers about the need to preserve those resources and illustrates how member contributions drive our organization s park protection efforts National Parks Magazine uses images and language to convey our country s history and natural landscapes from Acadia to Zion from Denali to the Everglades and the 387 other park units in between

Conversations About Visiting and Managing the National Parks Robert E. Manning, Elizabeth E. Perry, 2024-12-11 As the popularity of the national parks grows so do the challenges of visiting and managing them This innovative book uses crowdsourcing postings by park visitors on a range of social media sites to start 100 conversations on issues associated with visiting and managing the national parks The authors then use their experience and expertise to prepare short plainspoken and engaging essays that respond to the postings and complete the conversations The book is written for park visitors managers and students This inventive thoughtful and inviting book addresses a wide range of national park related issues guides readers on how to more effectively plan and conduct their national park visits

informs park planners and managers about what visitors think about the parks introduces the latest scientific and professional information on park management helps prepare students for careers in park management and enhances public appreciation and protection of the national parks The United States Catalog ,1921 **American Education** ,1967

Transforming Education for Sustainability María S. Rivera Maulucci, Stephanie Pfirman, Hilary S.

Callahan, 2023-06-20 This book investigates how educators and researchers in the sciences social sciences and the arts connect concepts of sustainability to work in their fields of study and in the classrooms where they teach the next generation Sustainability with a focus on justice authenticity and inclusivity can be integrated into many different courses or disciplines even if it is beyond their historical focus The narratives describe sustainability education in the classroom the laboratory and the field broadly defined and how the authors navigate the complexities of particular sustainability issues such as climate change water quality soil health biodiversity resource use and education in authentic ways that convey their complexity the sociopolitical context and their hopes for the future The chapters explore how faculty engage students in learning about sustainability and the ways in which working at the edge of what we know about sustainability can be a significant source of engagement motivation and challenge The authors discuss how they create learning experiences that foster democratic practices in which students are not just following protocols but have a stake in creative decision making collecting and analysing data and posing authentic questions They also describe what happens when students are not just passively receiving information but actively analysing debating dialoguing arguing from evidence and constructing nuanced understandings of complex socioscientific sustainability issues The narratives include undergraduate student perspectives on what it means to engage in sustainability research and learning how students navigate the complexities and contradictions inherent in sustainability issues what makes for authentic empowering learning experiences and how students are encouraged to persevere in the field This is an open access book **American Lumberman** ,1912 *The Journal of the*

National Education Association National Education Association of the United States, 1922 **Journal of the National Education Association** ,1921 **Today's Education** National Education Association of the United States, 1922
