## **Decoding Design Understanding And Using Symbols In Visual Communication:**

**Decoding Design** Maggie Macnab,2008-02-04 Understand the Significance of Symbols in Your Design Work Our world is comprised of a handful of very simple patterns that have been a part of human design since the beginning of time and have eternal significance Decoding Design reveals how common symbols and shapes like circles squares and triangles resonate at a gut level and can lend greater meaning to a design By deconstructing famous logos and other sample designs you ll learn how to communicate complex information quickly and intuitively with universal and meaningful patterns You ll also uncover how other disciplines such as philosophy math and physics influence great design and can help you present ideas in a holistic and compelling manner Whether you re a designer student or marketing professional Decoding Design will show you the deeper meaning behind the symbols you encounter everyday and how to better use those symbols to create an impactful relationship with the viewer *Creating a Brand Identity: A Guide for Designers* Catharine Slade-Brooking,2016-01-18

Creating a brand identity is a fascinating and complex challenge for the graphic designer It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour This practical handbook is a comprehensive introduction to this multifaceted process Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity including defining the audience analyzing competitors creating mood boards naming brands designing logos presenting to clients rebranding and launching the new identity Case studies throughout the book are illustrated with brand identities from around the world including a diverse range of industries digital media fashion advertising product design packaging retail and more *Becoming a Successful Graphic Designer* Neil Leonard,2017-03-09

As students prepare to enter the world of work there are many decisions that they need to make about what type of career they want Freelancing Working in a design agency Setting up their own business They also need the practical advice about how to work with clients how to organize themselves billing etc Through interviews with people at all levels of design the author provides down to earth and straight forward information that is relevant to today s students looking to start a career in design *Work for Money, Design for Love* David Airey,2012-10-26 Unlike other dry business books this refreshing straightforward guide from Logo Design Love author and international designer David Airey answers the questions all designers have when first starting out on their own In fact the book was inspired by the many questions David receives every day from the more than 600 000 designers who visit his three blogs Logo Design Love Identity Designed and DavidAirey.com each month How do I find new clients How much should I charge for my design work When should I say no to a client How do I handle difficult clients What should I be sure to include in my contracts David s readers a passionate and vocal group regularly ask him these questions and many more on how to launch and run their own design careers With this book David finally answers their pressing questions with anecdotes case studies and sound advice garnered from his own experience as well as those of such well known designers as Ivan Chermayeff Jerry Kuyper Maggie Macnab Eric Karjaluoto and Von
