The Social Employee: How Great Companies Make Social Media Work Cheryl Burgess, Mark Burgess, 2013-08-21 Presents cases studies and interviews about companies that have successfully used the digital presence of its employees and customers to represent the company brand

Break 'Em Up Zephyr Teachout, 2020-07-28 A passionate attack on the monopolies that are throttling American democracy We need a grassroots bottom up movement that understands the challenge in front of us and then organizes against monopoly power in communities across this country This book is a blueprint for that organizing In these pages you will learn how monopolies and oligopolies have taken over almost every aspect of American life and you will also learn about what can be done to stop that trend before it is too late from the foreword by Bernie Sanders Every facet of American life is being overtaken by big platform monopolists like Facebook Google and Bayer which has merged with the former agricultural giant Monsanto resulting in a greater concentration of wealth and power than we've seen since the Gilded Age They are evolving into political entities that often have more influence than the actual government bending state and federal legislatures to their will and even creating arbitration courts that circumvent the US justice system How can we recover our freedom from these giants Anti corruption scholar and activist Zephyr Teachout has the answer Break Em Up This book is a clarion call for liberals and leftists looking to find a common cause Teachout makes a compelling case that monopolies are the root cause of many of the issues that today's progressives care about they drive economic inequality harm the planet limit the political power of average citizens and historically disenfranchised groups bear the brunt of their shameful and irresponsible business practices In order to build a better future we must eradicate monopolies from the private sector and create new safeguards that prevent new ones from seizing power Through her expert analysis of monopolies in several sectors and their impact on courts journalism inequality and politics Teachout offers a concrete path toward thwarting these enemies of working Americans and reclaiming our democracy before it's too late A shocking guide book to these corporate Dark Ages these frightening times when private power seems to grow ever more centralized and the ordinary world we live in feels like it is dissolving Thankfully it is also a road map to the exit Read it and let's get ourselves out of this awful place Thomas Frank author of Listen Liberal A passionate and persuasive case for a revitalized antitrust movement to strengthen democracy and improve the lives of middle and working class Americans Teachout delivers a forceful clearly articulated vision of moral markets built on freedom choice and human dignity Progressives will heed this clarion call for reform Publishers Weekly

starred review **Why America Didn't Become Great Again** Robert Chernomas,Ian Hudson,2025-04-22 Examining the conditions that not only blocked attempts to make America great again but also actively made the country worse Why America Didn t Become Great Again identifies those organizations institutions politicians and prominent characters in the forefront of the economic and social policies ultimately asking who is responsible The period from the late 1970s to 2020s became the best of times for America s corporate class As profits grew along with the wealth and income that they delivered for their stockholders and management their goal was to set new rules for the rest of us to live by with a clear class agenda Institutions have been organized government policies reoriented and economists journalists and politicians recruited funded and promoted And so it has not been the best of times for working families as inequality stagnant wages debt and ever longer working hours became their fate This book critically analyzes those who very deliberately set out to implement policies enacted at the state and federal level in order to redistribute wealth and income upwards and change the balance of power in the United States in response to the class gender and racial challenges that resulted in compressed income and wealth differentials before the 1980s An essential book on contemporary inequality in America Why America Didn t Become Great Again surveys the past near half century that resulted in American economic instability and inequality environmental crisis a crumbling physical and harmful social infrastructure among the very worst health outcomes child poverty food insecurity and social mobility of the industrialized countries culminating in a Trump regime and the road to further ruin Proceedings of the Twenty-second AAAI Conference on Artificial Intelligence ,2007 **Advertising & Selling** ,1930 Event Solutions ,2010 **Blogging America** Aaron Barlow,2008 Provides an examination of the many current aspects of the blogosphere from the political to the professional to the personal and with many stops in between The Bricklayer, Mason and Plasterer ,1927 **The Huffington Post Complete Guide to Blogging** The editors of the Huffington Post,2008-12-02 An A to Z guide to blogging by the editors of The Huffington Post identifies what a blog is and how to create one in a guide that includes information on getting noticed building an effective community and understanding online terms **Normal Instructor and Teachers World** ,1928 **Michigan School Moderator** ,1918 **Who's who in America** ,1930
