Study the time period which is also part of the setting When was the story written? Does it take place in the present, the past, or the future? How does the time period affect the language, atmosphere or social circumstances of the novel?

The play *Betrayal in the City* is set in a fictional African country name Kafira in the post independence era. During this period, Africans end up disappointed when the African leaders they had hoped to bring change become perpetrators of corruption, dictatorship, nepotism and assassinations.

He easily accepts the role of writing a play to be performed to the visiting head of state. He notices the weakness in Tumbo and manipulates the play to his liking. Using Mosese and Jere, the trio plans to oust Boss out of power. The scheme works perfectly and they manage to hold Boss hostage. Similarly, he pretends to be so damaged that the police let him free, in so doing, he has perfect political ground to spread radical ideas despite being a homicide suspect.

#### Simple/ideological/independent-minded

He refuses to take Tumbo's jaguar and opts to walk when he is sent for drinks. In so doing, he shows that he is independent minded and accepts no favours to luxury but will work hard to get the luxury he so desires.

#### Creative/satirical

He says that his works are not for Kafira because he exposes the truth to light that's why publishers are not too willing to accept them for publication. He also accepts to draft the play to be used in the
