detail that is sometimes hard to read and I'm sure impossible to believe unless you've lived it and some of us have. So we know it is horrifyingly real. I recommend this book to victims and professionals who come into contact with victims in the worst ongoing moments of those victims' lives. What I may have been spared if I'd read this book many years ago. Survivor, no name for the public. I have previewed Rains' book and found it to be enlightening and scary. I will be keeping my eyes and ears open for the signs and evaluating my life a little more carefully now. Some things have happened to me in my relationship that never happened before in my 35 years in this world. I thought I may have been manipulated because of what I was told by others. Now I am more sure. No rash moves, but I am thinking about what I have been through, seen, and heard. By J. M. This book is a double-fisted sucker punch that never stops hitting and hitting home with every page. The harsh reality of the life of a sociopath's victim is profoundly described. C. H. Yay. Kudos to you for reaching out with the truth if EVERYONE knew about narcissism and sociopaths, they would avoid them, and maybe the world would be rid of them. By Kat
