Dancing in the Shadows of the Moon Machaelle Wright,2014-03 **Dancing in the Shadows of the Moon** Machaelle Small Wright,1995 In her first books *Behaving as if the God in All Life Mattered* Machaelle Small Wright wrote If we allowed all the knowledge from our soul level to fully flow and be totally accessible to our conscious self before we disciplined ourselves on how to respond to such as flow on the physical level we would shatter Blindly expressing limitless through limitation would be more pressure than our body could bear In *Behaving* Machaelle scratched the surface on a whole new reality Now in *Dancing* she opens the door and invites us in Out to discredit the Ozzie and Harriet School of Spirituality Machaelle gives us extensive groundwork supported by an actual account of her own expansion experience She tells of her introduction to the White Brotherhood that evolved group of souls who assist humans in their evolutionary development in a story told through journal entries for those early years of her nature work Reading *Dancing* you feel like a bird on Machaelle s shoulder watching the expansion unfold *Dancing in the Street* Suzanne E. Smith,2001-05-02 Detroit in the 1960s was a city with a pulse people were marching in step with Martin Luther King Jr dancing in the street with Martha and the Vandellas and facing off with city police Through it all Motown provided the beat This book tells the story of Motown as both musical style and entrepreneurial phenomenon and of its intrinsic relationship to the politics and culture of Motor Town USA As Suzanne Smith traces the evolution of Motown from a small record company firmly rooted in Detroit s black community to an international music industry giant she gives us a clear look at cultural politics at the grassroots level Here we see Motown s music not as the mere soundtrack for its historical moment but as an active agent in the politics of the time In this story Motown Records had a distinct role to play in the city s black community as that community articulated and promoted its own social cultural and political agendas Smith shows how these local agendas which reflected the unique concerns of African Americans living in the urban North both responded to and reconfigured the national civil rights campaign Against a background of events on the national scene featuring Martin Luther King Jr Langston Hughes Nat King Cole and Malcolm X *Dancing in the Street* presents a vivid picture of the civil rights movement in Detroit with Motown at its heart This is a lively and vital history It s peopled with a host of major and minor figures in black politics culture and the arts and full of the passions of a momentous era It offers a critical new perspective on the role of popular culture in the process of political change Gothiniad Surazeus Astarius,2017-10 *Gothiniad of Surazeus* Oracle of Gotha presents 150 792 lines of verse in 1 948 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 1993 to 2000

PASSION WITH A BITE Private Investigator Nikki James has a lot to contend with Her lover Michael Kelly walked out without so much as a goodbye and what seemed like a simple case of stopping a runaway teen brought her face to face with another clutch of deadly vampires But if that seemed bad it is about to get a lot worse because when Michael returns it is not for her but for the case Wealthy men are starting to vanish from a resort in Jackson Hole which is exactly where Nikki s runaway teen seems to be as well Something nefarious is going on at the luxury spa but what The last thing Michael needs is a confrontation with Nikki especially when his control over his bloodlust is still so tenuous But posing as a newlywed couple at the swanky resort may be the best way for both of them to solve their respective cases This time Nikki is determined to make Michael see that life apart is worse than death Yet before she can make him see the light a specter from Michael s past rises that could destroy any hope she has of a future with him Because this time the threat isn t physical It s a matter of the heart Includes an excerpt of the next novel in Keri Arthur s Nikki and Michael series Chasing the Shadows
