Project 333 Courtney Carver, 2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear In *Project 333* minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply starting with your

wardrobe Project 333 promises that not only can you survive with just 33 items in your closet for 3 months but you'll thrive just like the thousands of women who have taken on the challenge and never looked back. Let the decluttering begin. Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item by item, sifting through all the emotional baggage associated with those oh-so-strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great, we feel great, and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear and that who we are and what we have is so much more than enough.
