## How To Use Gut Health Foods For Creators:

Your Creator Matrix Cathleen Beerkens, 2024-04-29 As human beings we are beginning to wake up to our inner multidimensional power and our ability to consciously cocreate our lives. However, with this power comes the responsibility to master the creation process so that we can be who we were designed to be while here on Earth. Your Creator Matrix is the interconnected framework that links your mind, body, and spirit on all levels: physical, mental, emotional, and spiritual, with the Unified Field. When we master our stories, the deeply held narratives and beliefs that influence all of our choices and creations, and learn how to digest our life experiences in new ways, we gain the power to choose new future timelines and manifest the wellness, abundance, and love we truly desire. In this thought-provoking book, researcher and integrative health coach Cathleen Beerkens shows us how quantum physics and the new sciences of epigenetics, glycobiology, and nutrigenetics can support us to create optimal cellular health, digest and assimilate our old storylines, nourish ourselves at all levels for optimal wellness, and begin to operate fully as the Creator in our lives for the good of all. *The Eden Way: Reclaiming Your Body, Mind, and Spirit Through the Creator's Original Design* Angel Tate Keaton, 2025-09-08 The Eden Way: Reclaiming Your Body, Mind, and Spirit Through the Creator's Original Design. What if healing isn't something you have to chase but something you remember? The Eden Way invites readers back to the beginning, not as nostalgia but as restoration. Rooted in Scripture, ancient wisdom, and whole-being wellness, this book explores what life looks like when body, mind, emotions, and spirit are brought back into alignment with the Creator's original design. Rather than offering quick fixes or rigid formulas, The Eden Way gently dismantles the modern narratives that have separated faith from the body, health from holiness, and rest from purpose. It reframes wellness as a sacred return, one that honors nourishment, movement, breath, rest, emotional integrity, and spiritual connection as inseparable parts of a healed life. Through reflective teaching, practical insight, and compassionate truth-telling, this book addresses why the body was never meant to be ignored or shamed, how modern culture distorts health, productivity, and worth, the connection between nervous system regulation, rest, and spiritual trust, how creation rhythm and Sabbath restore what striving breaks, what it means to live aligned rather than exhausted. Written for those who are weary of fragmented wellness and longing for something truer, The Eden Way is both an invitation and a pathway, calling readers out of survival mode and back into wholeness. This is not about returning to perfection; it's about returning to design and learning how to walk again in the garden. *The Crazy Makers* Carol Simontacchi, 2007-12-27 An unprecedented and impeccably reported look at how American food manufacturers and their products may be endangering our minds. With obesity becoming one of the fastest-growing worldwide epidemics and manufactured food fueling that trend, *The Crazy Makers* is timelier than ever. This updated edition includes a new chapter on autism, as well as revised material that illustrates just how much the industry has changed in a few short years. Based on extensive research, epidemiological evidence, and a formal study of schoolchildren's eating habits, *The Crazy Makers* identifies how the latest food products may be literally driving us crazy.

Carol Simontacchi offers the reader nutritional primers and recipes to help counteract the problems facing us and our children every time we sit down to eat
