

SMALL BUSINESS TIPS: BUDGETING

@budgetwithmel

01 **Keep Business & Personal Separate**

Always deposit business income into your business account, even if you're just starting out. This keeps things clean and more professional.

02 **Choose an accounting system**

Choose what system you'll use to keep track of your income and spending.

03 **Estimate revenue.**

Always be conservative in your estimates, using actual historical data (if applicable).

04 **Analyze & negotiate costs.**

If your business is new, include start up costs in the estimate. Err on the side of overestimating costs. Negotiate with suppliers to get the best deal.

Simple Budgeting Tips For Small Business 12788

Judd E. Hollander
