Scott James Ph D,2021-09-13 The efficient and effective financial planning
Planning isn't just a number. It's a tool that helps you manage your money and
achieve your goals. A budget is a plan for how you will spend your money
over a certain period of time. It helps you understand how much money you
have and how much you need. It also helps you see where you are spending
too much and where you can save. This book is aimed toward those who do not
have experience or knowledge of budgeting. It will take you through three
methods of budgeting and the steps necessary to make them work. By the end
of this book you should be prepared to begin budgeting and achieve a long
awaited financial stability. Here is a preview of what you will learn:
How to dramatically curb your spending
How to develop clear financial goals to succeed
How to easily track income and expenses
How to implement the Envelope System so that every dollar has a destination
How to budget by payday or by month depending on your type of income
