English Plus:

Bilingual Education Ofelia García, Colin Baker, 2007 The book contains a comprehensive selection of outstanding and influential articles on bilingual education in the USA and the rest of the world It is designed for instructors and students with questions and activities based on each of the 19 readings for students to engage in active learning

Resources in Education, 1997 *Language and Society* Andrew Simpson, 2019-01-02 Language and Society is a broad introduction to the interaction of language and society intended for undergraduate students majoring in any academic discipline The book discusses the complex socio political roles played by large dominant languages around the world and how the growth of major national and official languages is threatening the continued existence of smaller minority languages As individuals adopt new ways of speaking many languages are disappearing others are evolving into hybrid languages with distinctive new forms and even long established languages are experiencing significant change with young speakers creating novel expressions and innovative pronunciations Making use of a wide range of case studies selected from the Americas Europe Asia and Africa Andrew Simpson describes and explains key factors causing language variation and change which relate to societal structures and the expression of group and personal identity The volume also examines how speakers knowledge of language acts as an important force controlling access to education advances in employment and the development of social status Additional topics discussed in the volume focus on the global growth of English gendered patterns of language use and the influence of language on perception

Bilingual Education Rosa Castro Feinberg, 2002-03-01 Focuses on the purposes of bilingual education programs in schools and their historical development from the 1960s to the present In this timely resource educator Rosa Castro Feinberg surveys the developing field of bilingual education its history its theories its practices and the conflicts that swirl around it She begins with an annotated chronology that describes influential people and events and traces themes in bilingual education from precolonial times to the present In three detailed chapters Feinberg summarizes the widely varied state and local policies and bilingual programs across the country and demonstrates the profound impact of federal legislation policies and court decisions She also examines the political challenge to linguistic diversity by anti immigration groups and the common myths about bilingual education that have grown out of the media s handling of identity politics

[The Praeger Handbook of Latino Education in the U.S.](#) Lourdes Diaz Soto, 2006-11-30 Latinos in the United States have fought hard to attain equality especially in the field of education The Praeger Handbook of Latino Education in the U S focuses on this fight for equal educational access and represents a significant addition to American educational literature The contributors to this volume reveal that many Latino children still face challenges that were present many decades ago In addition to such obstacles as cultural conflicts and racism they also face teachers curricula and assessments that are not always respectful to their backgrounds Educators parents policy makers and communities across the country will find this work a goldmine of detailed historical and current information

[Bilingual Education in the 21st](#)

Century Ofelia García, 2011-09-09 Bilingual Education in the 21st Century examines languages and bilingualism as individual and societal phenomena presents program types variables and policies in bilingual education and concludes by looking at practices especially pedagogies and assessments This thought provoking work is an ideal textbook for future teachers as well as providing a fresh view of the subject for school administrators and policy makers Provides an overview of bilingual education theories and practices throughout the world Extends traditional conceptions of bilingualism and bilingual education to include global and local concerns in the 21st century Questions assumptions regarding language bilingualism and bilingual education and proposes a new theoretical framework and alternative views of teaching and assessment practices Reviews international bilingual education policies with separate chapters dedicated to US and EU language policy in education Gives reasons why bilingual education is good for all children throughout the world and presents cases of how this is being carried out
