Edgar Allan Poe's Baltimore David F. Gaylin,2015 Edgar Allan Poe wrote his great works while living in several cities on the East Coast of the United States but Baltimore s claim to him is special His ancestors settled in the burgeoning town on

the Chesapeake during the 18th century and it was in Baltimore that he found refuge when his foster family in Virginia shut him out. Most importantly it was here that he was first paid for his literary work. If Baltimore discovered Poe it also has the inglorious honor of being the place that destroyed him. On October 7, 1849, he died in this city then known as Mob Town. Edgar Allan Poe's Baltimore is the first book to explore the poet's life in this port city and in the quaint little house on Amity Street where he once wrote.
