An Introduction to Content Marketing Robert Heller, 2022-10-06 Seminar paper from the year 2020 in the subject Business economics Offline Marketing and Online Marketing grade 1.7 University of Applied Sciences Zwickau Fakultät Sprachen language English abstract Content Marketing has become a buzzword for Online Marketers It gets more attention than ever before and you can say it is a trend Content Marketing is in But there is still lots of bad content out there This paper might help you create appealing content for your audience starting with Content Strategy followed by Content Planning Last but not least will be the writing process or how texters can write good content Consuming content grew exponentially in the last couple of years even though people are being flooded with content What is it that people like to read hear and see It is not any kind of content It is good content Content that has a high quality is relevant understands the users and speaks their language Content that creates value and creates a dialogue between the users and the company The following pages will tell you a little more in detail about how you can create better content for your audience and also why

you should do so The structure and most of the content are based on the book Think Content by Miriam L. Heller It will help make the internet a better place little by little

Social Media Marketing on Instagram. Exploration of Strategic Perspectives Lisa Jessen, 2018-06-20 Master's Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1-7 University of Potsdam language English abstract With 800 million users worldwide Instagram is one of the world's leading social media platforms The reason for the increasing relevance of Instagram is its mobile local social and visual character which reflects how individuals are currently using social media and will continue to do so in the future Instagram's combination of emotional visual content story telling and interaction with the community also makes it a platform that allows brands to differentiate themselves from others to become unique in what are often very saturated markets While Instagram is a new application and previous research focuses mainly on long established social media platforms such as Facebook this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical framework and presenting the practical strategies of three very different organisations in a multiple case study design The framework and the case studies prove that the five identified social media dimensions content marketing engagement marketing influencer marketing hashtags and Instagram advertising are applied in practice but are adapted very individual on each organisation its goals and its target group

[The Language of Persuasion in Advertising. A Corpus-based Critical Discourse Analysis](#) Seda Evirgen, 2021-05-04 Master s Thesis from the year 2020 in the subject English Language and Literature Studies Linguistics grade 1 0 Justus Liebig University Giessen language English abstract The thesis at hand puts a special emphasis on the use of persuasive language in online native advertisements from The New York Times After careful examination the corpus will be compiled of three native advertisements from the field of technology by the sponsors Intel

Dropbox and Slack The limitation to these native advertisements and persuasive linguistic devices and techniques was necessary with regard to the scope of this thesis As no linguistic analysis of native advertisements could be found there also was no reference to follow Therefore the thesis at hand lays the foundation for further research in this area The aim is to conduct a corpus based Critical Discourse Analysis in order to investigate and answer two main questions 1 Do online native advertisements make use of the same persuasion methods as previously researched for other advertising types 2 What are the most prominent persuasive linguistic devices and techniques in the online native advertisements from The New York Times In addition to the CDA the corpus based approach is expected to provide quantitative evidence of the existence of discourse and to identify repetitive linguistic patterns of persuasive language use in native advertising The thesis will be structured as follows First the theoretical framework provides general information about the functions and characteristics of advertising while further focusing on native advertisement and the language of advertising It continues with explaining the concept of persuasive language on the basis of ethos logos and pathos and introduces some powerful persuasive techniques in advertisement Further linguistic devices of persuasive language on the phonetic lexical morphological and syntactic level will be defined Additionally the concept of Critical Discourse Analysis will be explained in detail as the thesis at hand follows the CDA framework of Fairclough The data collection method and data analysis procedure will be outlined in Chapter 3 This is followed by an analysis of three online native advertisements from the publisher The New York Times After the analysis the results will be presented and evaluated in order to assess the hypothesis Finally the conclusion provides a summary of the findings and suggests further research opportunities

Managing Content Marketing: The Real-World Guide for Creating Passionate Subscribers to Your Brand Robert Rose, Joe Pulizzi, 2011-08-01 Perhaps no function in the business organization has been as fundamentally revolutionized as marketing The social and mobile Web has completely changed the speed efficiency and ease with which consumers can engage with each other and has had a tremendous impact on brands This new engagement of the consumer with keen awareness of their relationships and emerging social networks now correlates to every single aspect of our business So yes marketing has changed The question is what are we going to do about it Content and Subscription The New Marketing Opportunity As growth of the social and mobile Web changes the methods of communication the old lines of hierarchical relationships between business and consumer blur substantially As consumers publish and share their opinions both good and bad with increasing ease they can become more persuasive than even the company s voice itself Every one of these groups becomes a powerful ally or enemy depending on what we do All of them will be constantly in flux developing levels of trust and requiring varying levels of transparency to filter content and determine buying decisions They will expand and collapse with great velocity and it will all happen with or without our participation Content marketing has been around for hundreds of years But the application of a specific strategic process around content marketing is still new The amount of budget that is allotted for new content creation is going to become a

significant part of your new media budget And subject matter experts in the organization are going to have new responsibilities It s a transformative new process and it won t happen overnight But it can and should happen Get Content Get Customers showed us the light but there s been no book to show us the way There is an ancient Chinese proverb that says a crisis is simply an opportunity riding the dangerous wind As marketers we now have the opportunity to develop new processes with our marketing strategy power them with content and ultimately keep that wind at our back Successful programs will focus on creating a thoughtful strategy and process to foster this content marketing This book is a detailed how to to build that successful content marketing process
