

THE GHOST OF CHRISTMAS PAST

QUOTES

- 'white as if with age'
- 'the face had not a wrinkle in it'
- 'The purest white'
- 'It held a branch of fresh holly in its hand'
- 'from the crown of its head there sprung a bright clear jet of light'
- 'tenderest bloom was on the skin'

ANALYSIS

The ghost of Christmas past is an ephemeral ever changing figure that holds a lot of contradictions, it has a 'child's proportions' but is 'white as if with age'. This creates a confusing image of merging the old and young, therefore symbolising memories merging over time. The purpose of this ghost is to shine a light on the memories of nostalgia and joy that Scrooge has forgotten about in order to bring him to his former, happy self. This is shown through the ghost's bright appearance and 'jet' of light out of its head. The ghost also holds a spray of holly which symbolises help through the darkest days of winter because holly grows throughout this season and so sustains life for birds. The constant imagery of light also symbolises hope and help, which is what this ghost wants to bring to Scrooge, therefore symbolising his later transformation.

SUMMARY

Scrooge is haunted by the ghost of Christmas past who shows him scenes of Christmas during his earlier life. They start with Scrooge as a young boy, whom is left alone on Christmas Eve, then leading up to his past girlfriend, Belle, as he sees her with children and a husband. This evokes the feelings of his childhood as he begins his transformation through the guilt of his selfishness.

Notice how demanding the ghost of Christmas past is towards Scrooge, when wanting the memories to stop the ghost never gives in - this causes him to reflect and experience the intense emotion that he initially fears so that he can become his better self. Without this resistance Scrooge would never make the change that he desperately needs.

Considering structure - the story follows a clear curve, from the cold, harsh Scrooge to him experiencing internal conflict due to the ghosts who are trying to help him and then finally his epiphany where he realises what he has done.
