**Craving for Ecstasy and Natural Highs** Harvey B. Milkman, Stanley G. Sunderwirth, 2009-06-17 A new edition of a bestselling book which presents a positive approach to various types of addictions First Year Sobriety Guy Kettelhack, 2009-07-23 If the coronavirus pandemic has coincided with your first steps towards sobriety and recovery welcome Here s a guide for navigating the early days of life without alcohol and drugs The first in a series of three recovery guides First Year Sobriety uses personal stories to show that despite their differing experiences all are united in the process of living without alcohol or drugs First Year Sobriety uses the voices of many women and men who are struggling in the often baffling territory of their first year of sobriety to show that despite their differing experiences all are united in the process of giving life without alcohol or other drugs a chance These are people who are alternately amazed appalled delighted depressed illuminated disturbed or simply thrown by their first days weeks and months of sobriety Author Guy Kettelhack explores the challenges all seem to face learning to break through loneliness isolation and fear finding ways to deal with anger depression and resentment and learning how to deal with a new and sometimes overwhelming happiness Kettelhack has written seven books on recovery He is completing a Master s degree in psychoanalysis and is an analyst in training at the Boston and New York Centers for Modern Psychoanalytic Studies A graduate of Middlebury College Kettelhack has also done graduate work in English literature at Bread Loaf School of English at Oxford University He lives in New York City

**Understanding the Alcoholic's Mind : The Nature of Craving and How to Control It** Arnold M. Ludwig Evalyn A. Edwards Professor of Psychiatry University of Kentucky School of Medicine, 1987-11-26 Despite the immense obstacles they face many alcoholics do manage to recover The question is how In this groundbreaking book a doctor with over 25 years experience working with alcoholics gets inside their minds and explains the behaviors and thought processes they use to get sober and stay sober In most instances Arnold Ludwig has found that a lasting recovery can only begin after certain crucial attitude changes Regardless of the motivation of alcoholics powerful forces lure them back to drink To remain sober alcoholics must recognize these forces and the dangerous frame of mind that fuels them Then they must use a variety of techniques that have been demonstrated to be effective for resisting temptation particularly during the early phases of recovery In time individuals will need to develop a set of attitudes values and behaviors which the author describes in detail that perpetuate and strengthen their sobriety Being sober is far more than simply not drinking it is a new way of life Over the years the author has worked with over 1000 alcoholics from all walks of life and within many different settings hospital clinics Alcoholics Anonymous meetings detoxification centers and private homes about one fourth of whom had quit drinking for significant periods of time Incorporating the findings of other researchers into his own and including many clinical vignettes and personal anecdotes he explores the basic principles necessary for achieving a successful recovery Ludwig has especially concerned himself with the nature of alcoholic craving and loss of control and describes the techniques that can

help individuals to conquer their urges and also to lessen the chances of relapse This book does not use the word treatment Instead it talks about what is really at the heart of the matter sobriety and how to achieve it It will give new hope and insight not only to the recovering alcoholic but also to their families counselors and doctors RecoveryMind Training Paul H.
