Hreflang: The Easy Guide for Beginners

If your website has content in multiple languages, then you must understand and use the hreflang attribute.

Hreflang is a simple HTML attribute, but it can be challenging to get to grips with.

But don't let that put you off. Hreflang isn't that complicated to understand, and you can automate it to a large extent. (We'll talk about that later on.)

Here's everything you'll learn in this guide:

- What the hreflang attribute is
- Why hreflang matters for SEO
- What hreflang looks like
- How to construct a hreflang tag

What is hreflang?

Hreflang is an HTML attribute used to specify the language and geographical targeting of a webpage. If you have multiple versions of the same page in different languages, you can use the hreflang tag to tell search engines like Google about these variations. This helps them to serve the correct version to their users.

Why does hreflang matter for SEO?

If you've spent time translating your content into multiple languages, then you'll want search engines to show the most appropriate version to their users.

Final thoughts

Hreflang isn't that complicated. You just need to stay organized, automate the implementation as much as you can, stay on top of any issues that will inevitably arise, and fix those issues as quickly as possible.

[365 Blog Topic Ideas](#) Dana Fox, 2014-11-26. It can be tough coming up with new blog topics every now and then. Do you ever just feel stuck? This book was designed to help dig you out of a blogging rut and inspire new ideas. Whether you're just getting started with your blog or you're a seasoned blogger, [365 Blog Topic Ideas For The Lifestyle Blogger Who Has Nothing to Write About](#) is the one book you should keep close by. Containing an entire year's worth of actual blog topics that can be adapted by a wide variety of lifestyle blogs, this easily formatted book will help you fall in love with writing all over again. FROM THE AUTHOR: [365 Blog Topic Ideas](#) is a book I wrote to help you feel a little more inspired when you're feeling stuck for content. You literally get an entire year's worth of ideas that you can mix in with your own regular content whenever you feel the desire. My goal is to help you become unstuck and spark a little creativity. Being a lifestyle blogger could mean something different for many of us. Some of us blog about our home lives, some about cooking or beauty or fashion. I tried my best to make these topics appeal to a large group of different niches and I think it's fairly easy to adapt them to your own blog demographic if you need to. I also included different types of topics to help your readers get to know you and also increase the share quality of your posts because I think that both are super important in building a following as well as traffic. From my research and experience, certain types of posts get more shares than others, so I've made sure to include handfuls of those in this book. You can jump into the book at any page in no particular order, whether you're just getting started with your blog or not. You can use the topics as is or even get a little creative and add your own spin on them. Enjoy your blogging journey. Dana Fox. **Plan a Blog Post** Arts by Naty, 2019-11-03.
