The Complete Idiot's Guide to 30,000 Baby Names Marcia Layton Turner, Robbi Hess, 2006-02-07 The Complete Idiot's Guide to 30,000 Baby Names offers a little something extra than the majority of books on the market. Rather than provide readers with an alphabetized name list for each gender which by the way it also does it dedicates approximately half of its total pages to various lists that help parents zero in on the perfect name for their baby and add some fun to the baby naming process. In addition to the various lists of names and a two color alphabetized name section this book also contains colorful name histories and helpful information on how to go about finding and choosing the perfect name. Lists include something for everyone
