Biblical Eschatology: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

**Who Are the Illuminati?** Lindsay Porter,2005-10-10 How are the origins of the French Revolution the murder of the Romanovs the design of the dollar bill and the Roswell UFO incident connected The answer is one of the world s most mysterious and feared secret societies the Illuminati References to the Illuminati span centuries yet reliable historical evidence is scant What is known is that on 1 May 1776 at the height of the European Enlightenment Adam Weishaupt a professor of canon law at the University of Ingolstadt in Bavaria founded a secret society of freethinkers or enlightened ones the Illuminati The group was formed to discuss and disseminate the radical philosophies of the day and secrecy was crucial to its survival neither church nor crown would have countenanced the group s anticlerical and antimonarchist ideas At its height the Illuminati numbered 2 500 with members across Europe including some of the period s leading thinkers Yet just 12 years after the group s founding it was disbanded by a governmental edict and the Illuminati ceased to exist Or did it For nearly 250 years references to the Illuminati and its alleged influence on major world events have continued to resurface There are those who claim the Illuminati is much older than its first recorded incarnation suggests dating its origins to the time of the Pyramids and others who believe the group is literally not of this planet but part of an alien culture bent on taking over the earth This book looks at the reality and the myths questions the allegations and explores how fears about the group have taken many different forms whether fear of intellectuals during the Enlightenment or fear of communists during the McCarthy era An internet search reveals that belief in the group s shadowy influence is positively thriving what does that say about us today And are we right to be afraid
