Corpus Approaches to Social Media Sofia Rüdiger, Daria Dayter, 2020-11-15 From Twitter to Reddit Facebook and WhatsApp social media is a part of modern everyday life Studying the language used on social media platforms presents great opportunities as well as challenges to corpus linguists The contributions in *Corpus Approaches to Social Media* address technical ethical and methodological issues by showcasing in depth social media studies as conducted by corpus scholars The chapters are based on a variety of social media platforms and include corpus perspectives on the language of online communities linguistic variation in short media texts and the role of images in computer mediated communication A particularly strong point of the collection are the detailed accounts of the methodological aspects of working with social media corpora The volume features research applying traditional corpus linguistic methods to social media data as well as novel and innovative research methods for the analysis of multimodal material and atypical corpus texts

Kierkegaard's Incarnational Mission Michio Ogino, 2025-06-30 One lacuna in Søren Kierkegaard scholarship is in analyzing his works with his self described identity as a missionary to Christendom in mind Challenging the international connotation of the term missionary Dr Michio Ogino examines Kierkegaard's works in which he identified himself as a missionary writer to reveal how he considered being a missionary an integral part of being a Christian By chronologically and empirically examining the writings of Søren Kierkegaard Dr Ogino argues that Kierkegaard not only proclaimed Jesus Christ in his homeland but did so in a manner similar to how Christ had done on earth incarnating the Christian message for his contemporaries Through this provocative exploration Ogino lays out how the application of Kierkegaardian mission can help to overcome five recognized barriers in Japanese evangelization Kierkegaard scholars and readers will find a new understanding of the motivations and reasoning behind his works and missionaries not only to Japan but all nations will be encouraged in how his approach can be applied in their context
