Mastering Communication:

Mastering Communication at Work: How to Lead, Manage, and Influence Ethan F. Becker, Jon Wortmann, 2009-08-14

Mastering Communication at Work is based on 45 years of research and working with over half a million clients around the world. From leaders of countries to leaders of companies to people just starting out in their career, Becker and Wortmann teach techniques that start with the essential wisdom of Aristotle and include the best practices in today's global organizations. The book includes interviews with leaders who reveal the inside story of the communication secrets at The White House, Doris Kearns Goodwin, presidential historian and Pulitzer Prize-winning author, Google's Laszlo Bock, Vice President of People Operations, EMI Publishing, Big Jon Platt, President of IBM, Jeanette Horan, Vice President of Enterprise Business Transformation at Harvard Business School, Tony Mayo, Director of the Leadership Initiative at The New York Giants, and Peter John Baptiste, Director of Public Relations. Mastering Communication at Work provides clear, actionable advice you can put to use right away and simple drills to practice during your next meeting, one-on-one conversation, or even sitting at your desk. Use Mastering Communication at Work as your coach, and you'll see immediate results in yourself, your people, and your organization.

Mastering Communication at Work, Second Edition: How to Lead, Manage, and Influence Ethan F. Becker, Jon Wortmann, 2021-02-09. The classic international bestseller updated for the hybrid work world, including a new chapter on virtual communication. Excellent communication skills have always been crucial to success in leadership and management roles, and that's one of the reasons the first edition of this book, Mastering Communication at Work, has been an international bestseller, taught at universities, and referred to by leading CEOs. In the years since it was first published, it's been the go-to communication playbook, helping leaders develop strategic responses and communication tactics with clear, actionable advice. What's changed in the last ten years? Well, nothing and everything. The fundamentals of effective communication are the same, as are many of the challenges leaders face, generation after generation. You still need to match your listener's tendency and validate, and you still need to guard against defensiveness. What has changed is how some of the fundamentals and challenges are applied and met in today's world, both real and virtual, in remote and on-site working environments. Mastering Communication at Work, 2nd Edition, features an essential new chapter on remote team communication, along with additional content on equitable leadership and updated case studies. Throughout, you'll find practical, hands-on advice and strategies that can help you reach your potential when preparing for big conversations and important presentations, help you reduce everyday stress, and improve your organization's performance at every level.

Mastering Communication Nicky Stanton, 2004-03-04. This book is for anyone wanting to improve their communication skills and knowledge of how communication works in organizations. It provides guidance on telephoning and text messaging, interviewing, meetings, giving presentations, speaking in public, letter and report writing, emailing, and netiquette, visual and non-verbal communication. There are plenty of activities and exercises throughout so that readers can check their progress.

The fourth edition of this best selling book has been revised to bring it fully up to date taking into account the latest developments in communication and technology It also includes new material on the ways in which human interactions can be improved by an awareness of different social psychology approaches
