Seth's own soul is rotting from the wound inflicted by Kate and survival for his loved ones seems all he can hope for. In this volume, author Munster looks at Koontz's horror and dark suspense fiction. **Presenting Young Adult Horror Fiction** Cosette N. Kies, 1992 Horror, an increasingly popular subject for books, television, and movies, is especially appealing to teenagers who are enthusiastic fans of ghouls and gore. The appeal of horror literature to young adults cannot be denied or ignored, and in *Presenting Young Adult Horror Fiction*, the first genre study in the *Wayne Young Adult Authors Series*, Cosette Kies concentrates on teenage interest in the field. Dr. Kies reminds us that the supernatural has a long literary tradition, including such works as Emily Brontë's *Wuthering Heights*, Henry James's *The Turn of the Screw*, and Edgar Allan Poe's short stories. Against this literary background, Dr. Kies takes a witty and perceptive look at contemporary manifestations of horror fiction, highlighting those authors that teenagers particularly enjoy. Writers such as V. C. Andrews, Dean Koontz, John

Saul Anne Rice Chelsea Quinn Yarbro Robert Bloch Robert MacCammon and of course Stephen King are examined in depth Each chapter includes an introduction that touches on historical antecedents a chronology of biographical highlights and major works for the subject author and a long quote that allows the writer s individual voice to shed light on his or her literary philosophy Dr Kies analyzes theme plot and character for the major works with perception and skill Separate chapters explore the appeal of satanism for young adults in novels such as *The Exorcist* and *Rosemary s Baby* and there is an irreverent look at a recent development in horror writing splatterpunk Presenting Young Adult Horror Fiction is a welcome addition for all those interested in horror literature and will also provide much needed information for librarians teachers and parents who want to understand why young adults love horror literature
