The book is a thematic overview of fashion in its widest sense imaginable ranging from haute couture to street style from the one off to the mass market to the pret a porter. It illustrates with elegance and flair just how vital and everlasting a part fashion has played in reflecting and influencing twentieth century attitudes from the sexual revolution and rise of popular culture in the 1960s to the consumerism of the 1980s and 1990s. Fashion Today places current fashion not only in the contexts of youth sexuality fetishism exoticism and historicism but also in the contexts of previous fashion movements. It demonstrates dynamically that fashion reflects not only its surroundings and its subjects but ultimately itself. Aesthetically and intellectually stimulating this volume is a must have for anyone who has even the vaguest interest in any aspect of the fashion world today. Its breadth of scope and depth of insight are unprecedented.
