The Holistic Pine: Volume 2, Issue 2 Writers' Kalam,2023-02-19 The Holistic Pine is India s first independent international monthly lifestyle journal Sanskar News India has just taken a giant leap into the world of independent publishing with the launch of The Holistic Pine The Gram Today Authenticity Brevity and Clarity We experience information overload the moment we search something online especially when this search is regarding courses and careers What guarantee do we have that the information we receive online is genuine or not How many hours should we dedicate to sift through the data available How could we identify the authenticity of information Instead of

spending hours and hours of time and energy The Holistic Pine is making it easier for the reader to get authentic information within a short period of time This is one of the reasons educational institutions are moving massively towards The Holistic Pine where you get Authenticity Brevity and Clarity There is still another reason Most academic journals subscribed by college school libraries do not create readers out of students Most students avoid them However The Holistic Pine is unique in its appeal That's where The Holistic Pine becomes different It has created a bridge between the magazine culture and journal culture offering in each issue a highly stylised reading material that attracts students and scholars The Holistic Pine thus becomes an academic asset in educational institutions scholars UPSC PSC and Civil Service or IAS aspirants and general readers

[] With Design: Reinventing Design Modes Gerhard Bruyns, Huaxin Wei, 2022-11-05 This collection stems from the International Association of Societies of Design Research IASDR congress in 2021 promoting the research of design in its many fields of application Today's design finds itself at a critical moment where the conventional modes of doing thinking and application are increasingly challenged by the troubled ideology of globalisation climate change migration patterns and the rapid restructuring of locally driven manufacturing sectors The volume presents a selection of papers on state of the art design research work As rapid technological development has been pushing and breaking new ground in society the broad field of design is facing many unprecedented changes In combination with the environmental cultural technological and crucially pandemic transitions design at large is called to fundamentally alter its modes of practice Beyond the conventional models of conducting research or developing solutions to wicked problems the recoupling of design with different modes should be seen as an expression to embrace other capacities of thinking criticisms and productions This selection of proceedings papers delivers the latest insights into design from a multitude of perspectives as reflected in the eight thematic modes of the congress i.e social making business critical historical projective impact pandemic and alternative with design modes The book benefits design researchers from both academia and industry who are interested in the latest design research results as well as in innovative design research methods In presenting an interesting corpus of design case studies as well as studies of design impact this comprehensive collection is of relevance to design theorists and students as well as scholars in related fields seeking to understand how design plays a critical role in their respective domains
