Younie**

Pearson Btec Level 3 Nationals In Computing:

Teaching Computing in Secondary Schools William Lau, 2017-09-22 This book provides a step by step guide to teaching computing at secondary level It offers an entire framework for planning and delivering the curriculum and shows you how to create a supportive environment for students in which all can enjoy computing The focus throughout is on giving students the opportunity to think program build and create with confidence and imagination transforming them from users to creators of technology In each chapter detailed research and teaching theory is combined with resources to aid the practitioner including case studies planning templates and schemes of work that can be easily adapted The book is split into three key parts planning delivery and leadership and management and covers topics such as curriculum and assessment design lesson planning cognitive science behind learning computing pedagogy and instructional principles mastery learning in computing how to develop students computational thinking supporting students with special educational needs and disabilities encouraging more girls to study computing actions habits and routines of effective computing teachers behaviour management and developing a strong classroom culture how to support and lead members of your team Teaching Computing in Secondary Schools is essential reading for trainee and practising teachers and will prove to be an invaluable resource in helping teaching professionals ensure that students acquire a wide range of computing skills which will support them in whatever career they choose Esports Research and Its Integration in Education Harvey, Miles M., Marlatt,

Rick, 2021-06-25 The world of esports in education is booming and the field needs empirical studies to help ground much of what is going on in the field Over the last couple years there appears to be a large amount of anecdotal evidence surrounding esports and its role in education but researchers teachers coaches and organizations need peer reviewed research based evidence so they can evolve the field at large As the amount of esports teams and organizations continues to rise so will the need for the field to provide empirical research about esports and education and the effect it has on students and those who partake in it Esports Research and Its Integration in Education is an essential reference source for those interested in educational research related to esports topics as they are approached through multiple ages of schooling and infused throughout a variety of content areas and research methodologies The book covers empirical studies that help practitioners to understand how esports is developing within and around learning institutions and what the impact may be on students and their contemporary educational experiences Covering topics such as college and career readiness literacy practices and urban education this text is essential for stakeholders involved in the rise of esports administrators teachers coaches researchers students and academicians Build It Like benjyfishy & MrSavage Johnny Troset Andersen, 2022-01-01 BEHIND EVERY PROFESSIONAL ESPORTS PLAYER IS A SUPPORT TEAM MAKING THEIR DREAMS COME TRUE Anne Fish mother of Benjy e benjyfishye Fish and Johnny Troset Andersen father of Martin e MrSavagee Foss Andersen were plunged into the world of esports when their sons transitioned from gaming enthusiasts to becoming professional Fortnite

players and duo partners They soon found themselves signing contracts with esports organisations and providing all the administrative and technical support it takes to manage a player and their business In this book Anne and Johnny share the highs and lows of their individual journeys as parents in supporting the esports careers of their sons from the early days of trying to create a balance between gaming and education to dealing with tournament disappointments and social media negativity This book may not teach you about Fortnite gameplay or tactics but it aims to support future professional players and inform esports novice parents and anyone interested in supporting young players **FEATURING EXCLUSIVE**

INTERVIEWS WITH Falconer professional player for 100 Thieves Bloodx esports mentor and coach DestinysJesus Fortnite coach Jacob Toft Andersen VP Esports at 100 Thieves Andy Miller CEO at NRG Grady Rains Executive Producer at NRG AussieAntics content creator at NRG and other leading industry insiders who offer a range of perspectives and insights into the ever growing world of esports

Which A levels? 2019 Alison Dixon,2019-05-28 Making the right choice of A levels is crucial Not only will it affect your enjoyment of studying over the next two years but it also has implications for your choice of career further training or higher education options The tenth edition of this student friendly guide has been revised and updated and includes study and employment options after 16 as well as at degree level It also contains information on apprenticeships an increasingly popular alternative to full time higher education Each subject entry covers What and how you study Which A levels fit well together for competitive courses and careers Related higher education courses Career and training options after A levels and degree courses Alternative qualifications such as the International Baccalaureate

The Really Useful Physical Education Book Gary Stidder,Sid Hayes,2016-11-10 The Really Useful Physical Education Book offers support guidance and practical ideas for effective innovative and imaginative physical education lessons Underpinned by easy to understand theory this second edition is fully updated in line with the National Curriculum for Physical Education at Key Stages 3 and 4 and provides a wide range of high quality lessons alongside engaging teaching examples and methodologies With an emphasis on inclusive physical education it highlights the ways in which schools can re design the curriculum to ensure maximum enjoyment for all pupils Key topics covered include Planning progression and assessment Health and safety issues Inclusive track and field athletics Adapting activities to support SEND Swimming and water based activities Alternative activities including street surfing and combat sports Introducing dance into the curriculum Enjoyable gymnastics for physical literacy On site adventurous activities Values based teaching Teaching accredited awards Using new and emerging technologies
