Toni Morrison's Beloved William L. Andrews, Nellie Y. McKay, 1999-01-21 With the continued expansion of the literary canon multicultural works of modern literary fiction and autobiography have assumed an increasing importance for students and scholars of American literature This exciting new series assembles key documents and criticism concerning these works that have so recently become central components of the American literature curriculum Each casebook will reprint documents relating to the work s historical context and reception present the best in critical essays and when possible feature an interview of the author The series will provide for the first time an accessible forum in which readers can come to a fuller understanding of these contemporary masterpieces and the unique aspects of American ethnic racial or cultural experience that they so ably portray This casebook to Morrison s classic novel presents seven essays that represent the best in contemporary criticism of the book In addition the book includes a poem and an abolitionist s tra published after a slave named Margaret Garner killed her child to save her from slavery the very incident Morrison fictionalizes in Beloved

Beloved Toni Morrison, 1987-08-12 Toni Morrison author of Song of Solomon and Tar Baby is a writer of remarkable powers her novels brilliantly acclaimed for their passion their dazzling language and their lyric and emotional force combine the unassailable truths of experience and emotion with the vision of legend and imagination It is the story set in post Civil War Ohio of Sethe an escaped slave who has risked death in order to wrench herself from a living death who has lost a husband and buried a child who has borne the unthinkable and not gone mad a woman of iron eyes and backbone to match Sethe lives in a small house on the edge of town with her daughter Denver her mother in law Baby Suggs and a disturbing mesmerizing intruder who calls herself Beloved Sethe works at beating back the past but it is alive in all of them It keeps Denver fearful of straying from the house It fuels the sadness that has settled into Baby Suggs desolated center where the self that was no self made its home And to Sethe the past makes itself heard and felt incessantly in memories that both haunt and soothe her in the arrival of Paul D There was something blessed in his manner Women saw him and wanted to weep one of her fellow slaves on the farm where she had once been kept in the vivid and painfully cathartic stories she and Paul D tell each other of their years in captivity of their glimpses of freedom and most powerfully in the apparition of Beloved whose eyes are expressionless at their deepest point whose doomed childhood belongs to the hideous logic of slavery and who as daughter sister and seductress has now come from the place over there to claim retribution for what she lost and for what was taken from her Sethe s struggle to keep Beloved from gaining full possession of her present and to throw off the long dark legacy of her past is at the center of this profoundly affecting and startling novel But its intensity and resonance of feeling and the boldness of its narrative lift it beyond its particulars so that it speaks to our experience as an entire nation with a past of both abominable and ennobling circumstance In Beloved Toni Morrison has given us a great American novel Toni Morrison was awarded the 1988 Pulitzer Prize in Literature for Beloved Luther Burbank, "our Beloved Infidel"

Frederick William Clappett,1926 Discussion of Burbank s philosophy of life his use of the scientific method his distrust of organized religion and his belief in studying nature Included are many sayings and responses to his calling himself an infidel
