Accepting requests

Of course.
No problem.
Sure.
Certainly.
I'd be glad/happy
It would be my pleasure.

Making Requests With Modals American English:

Making Requests by Chinese EFL Learners Vincent X. Wang, 2011 Requests a speech act people frequently use to perform everyday social interactions have attracted particular attention in politeness theories pragmatics and second language acquisition This book looks at request behaviours in a significant EFL population Chinese speaking learners of English It will draw on recent literature such as politeness theories and cognitive models for interlanguage pragmatics development as well as placing special emphasis on situational context and formulaic language to provide a more fine grained investigation A range of request scenarios has been specifically designed for this project from common service encounters to highly face threatening situations such as borrowing money and asking a favour of police officer Our findings on Chinese style pragmatic behaviours and patterns of pragmatic development will be of value to cross cultural pragmatics researchers TESOL professionals and university students with an interest in this area of study *Grammar in Everyday Talk* Sandra A. Thompson, Barbara A. Fox, Elizabeth Couper-Kuhlen, 2015-06-04 Drawing on everyday telephone and video interactions this book surveys how English speakers use grammar to formulate responses in ordinary conversation The authors show that speakers build their responses in a variety of ways the responses can be longer or shorter repetitive or not and can be uttered with different intonational melodies Focusing on four sequence types responses to questions What time are we leaving Seven responses to informings The May Company are sure having a big sale Are they responses to assessments Track walking is so boring Even with headphones It is and responses to requests Please don't tell Adeline Oh no I won't say anything they argue that an interactional approach holds the key to explaining why some types of utterances in English conversation seem to have something missing and others seem overly wordy *Interlanguage Request Modification* Maria Economidou-Kogetsidis, Helen Woodfield, 2012-04-11 This is the first edited volume dedicated specifically to interlanguage request modification It is a collection of empirical studies carried out by an international array of scholars which provides insights for researchers graduate students and language teachers on patterns of interlanguage request modification in a range of research contexts and linguistic cultural settings The research in this volume takes the reader from a consideration of interlanguage request modification in naturally occurring e mail data through to elicited data from e DCT questionnaires on cyber consultations to the interactive oral discourse of requests in open role plays As a whole the contributions incorporate research with learners from a range of proficiency levels and from diverse linguistic cultural backgrounds while the chapters individually examine developmental aspects of interlanguage request modification requests in electronic contexts comparative learner native speaker requests and instructional effects on mitigation The book will undoubtedly become an important reference for researchers and teachers not only in the field of pragmatics but also in second language acquisition language teaching socio linguistics and discourse analysis *Growing Into Language* Liliana Tolchinsky, Liliana Tolchinsky Landsmann, Ruth A. Berman, 2023 This book explores how schoolchildren and adolescents

employ language in different communicative settings The authors demonstrate how language development is affected by the language and culture in which it evolves and use brain studies to provide a deeper explanation of developmental changes in language behavior
