### The assignment

**Cut-off date: 10 January 2023 – 12 noon UK time**

#### Important

These pages provide guidance on how to write your assignment. Please ensure you read all of this information right through until the checklist at the end.

Before you start work on this assignment, please ensure that you have read the Assessment Guidance specific to this module and are familiar with the advice in the 'Social Sciences Assessment Information'. These sources contain support and guidance that you may need in writing your TMA, including, for example, advice on plagiarism and the marking system. Guidance on referencing is available on the Library's Referencing and plagiarism page. You will be following the Cite them Right (CTR) Harvard referencing style. A higher-grade answer requires close adherence to the Cite them Right Harvard referencing system.

You are required to use PowerPoint for this TMA to create a presentation. There is more information on creating effective presentations at the following links:

- [Tips for creating and delivering an effective presentation](#)
- [PowerPoint help & learning](#)

If you have not made slides for presentations before, or if you'd like a refresher, then you could use one of the following resources: 'Producing a slide presentation' (Week 9, Section 7) and/or 'Judging a slide presentation' (Week 10, Section 6).

OU students can access Microsoft Office 365 for free, which includes the latest version of Microsoft PowerPoint. There is an MS Office support page on finding the word count of your presentation.

If you require further guidance on submitting your slides via the eTMA system, see the following Computing Guide resources:

- ['Working with .zip files'](#)
- ['Online TMA/EMA service'](#)

Please note: your submitted file must be in .ppt or .pptx format. If you use different software (other than PowerPoint) to produce your presentation, you need to make sure that it is compatible with .ppt/.pptx. You can use free presentation software (e.g. OpenOffice which is a free version of Microsoft Office), as long as the file can be saved in the .ppt or .pptx file format.
