Cold Case Files Liz Porter, 2011-05-01 Cold case investigators scrape back paint in a renovated flat where a murder was committed twelve years earlier and find a blood stain that leads them to a killer Scientists extract DNA from crime scene samples collected in 1973 and a 21st century hunt for a triple murderer begins A forensic dentist probes the mysterious death of an ancient Egyptian mummy A long forgotten palm print leads detectives to the real perpetrator of a murder for which an innocent man has already served 12 years jail In this collection of fascinating cold cases from Australia the UK and the US award winning writer Liz Porter shows how modern forensic science can unlock solutions for crimes and mysteries unsolved for decades and in some cases centuries Praise for Liz Porter each of her stories reads like good crime fiction a compulsive read The Sydney Morning Herald A delightful and entertaining writer Weekend Australian Winner of Davitt Award for Best True Crime 2011

Cold Case Files Missing and Unsolved: Ireland's Disappeared Barry Cummins, 2012-03-30 The Cold Case Files will leave you shocked that so many of Ireland's evil killers have not been caught But by outlining the on going work of Ireland's cold case detectives this book will also give you hope that these killers will never be allowed to rest easy and that one day justice will come knocking on their door Unsolved the 1981 fatal shooting of Lorcan O Byrne who was targeted by robbers on the night he was celebrating his engagement Unsolved the murder of Grace Livingstone who was found shot dead in her Malahide home in 1992 Unsolved the abduction and suspected murder of Brooke Pickard who was last seen in Co Kerry in 1991 Cummins also charts the re investigation into the first case to be solved by the Cold Case Unit the killing and secret burial of Brian McGrath in Westmeath in 1987

Case files Teresa Godwin Phelps, 1984 *Decisions to Imprison* Mr Rasmus H Wandall, 2013-02-28 Rasmus Wandall uses quantitative and qualitative methods from studies carried out in Denmark to address the formal and informal norms and ideologies that are used to generate decisions to imprison Focusing on the operations of the courtroom participants his work investigates how court decision making is organized to allow the sentencing procedure to be open to more than its formal legal framework while at the same time keeping the sentencing within the boundaries of law and legal validity The author uses the theory of law's operational closure developed by Niklas Luhmann The theory provides an advantageous point of departure to capture the close and subtle interactions between law's need for validity and for contextual openness in every legal operation including court decision making

Understanding Gender-Based Violence Caroline Bradbury-Jones, Louise Isham, 2021-02-17 This edited book brings together the voices and insights of survivors practitioners educators and researchers working to prevent and minimise the harms of gender based violence with a specific focus on equipping health professionals and social workers to support victim survivors Practitioners can and often do play a critical role supporting victim survivors of gender based violence however this work has historically been carried out by those in specialist roles and there remains gaps and inconsistencies in education and training for qualifying and post qualified professionals This book makes a valuable

contribution to addressing these gaps It provides practitioners with a comprehensive resource on contemporary debates and research in the field of gender based violence To support readers learning each chapter contains reflective exercises and draws clear links between research theory and practice The book is structured into four sections The first section considers the rise of gender based violence in policy and practice and questions to what extent this once marginalised perspective has become embedded in health and social work training and education The second section of the book explores some of the expressions contexts and implications of gender based violence Each chapter considers the role of health care professionals and social workers and invites the reader to reflect on their potential role in these areas The third section of the collection focuses on one of the most common forms of gender based violence that health and social work professionals are likely to encounter physical psychological sexual and financial violence by an intimate partner who may also be a parent Finally the fourth section showcases innovative responses to supporting victim survivors and challenging systems that contribute to gender inequality The intention of this book is to equip health care professionals and social workers with critical practical and ethical resources to help them work with victim survivors and where possible engage in transformative efforts to end the harms of gendered inequalities and violence
