What step won't Fitch let you perform? Why? Is the conclusion a consequence of the premises? Discuss this example in the form of a clear English paragraph, and turn your paragraph in to your instructor.

Use Fitch to give formal proofs for the following arguments. You will need to use subproofs and subproofs to prove these.

Strategy and tactics

Many students try constructing formal proofs by blindly piecing together a sequence of steps permitted by the introduction and elimination rules, a process no more related to reasoning than playing solitaire. This approach occasionally works, but more often than not it will fail—or at any rate, make it hard to find a proof. In this section, we will give you some advice about how to go about finding proofs when they don't jump right out at you. The
