

The flare of the fenders accentuates its confident stance.

The slimming effect of the mid-section undercut.

A lower shoulder line helps balance proportion.

The sweeping roofline of a coupe.

The sculpted cutline inspired by "good boy" for dogs.

Lines are drawn to give shape to emotions.

Rounded curves with muscular definition. The roofline's measured arc slips easily through the wind. Broad shoulders emphasize strength and stature. Design without purpose leads nowhere. Design with intent goes straight to the psyche.

A Singleframe® is worth a thousand words.

The Singleframe® grille on the Audi A8 has evolved as each generation establishes a new design language. On the new A8, the grille is both wider and lower to emphasize its sportier stance. From profile, its face is more upright. From another angle, a third dimension appears as the outer sections appear to fold inward. What it says depends on your perspective.
