ideals If you win you still remain a rat The novel traces the gradual maturing of the protagonist With a rural upbringing he is a misfit in this aspiring milieu and least likely to succeed Can he and how His basic goodness and upbringing helps him in negotiating the tricky environment and transforms him into a perceptive adventurer After a listless employment and a course in computer programming he lands in Bangalore in 1998 the country's hot software destination He has no credentials street smartness nor the cunningness required in the job market where supply far exceeds demand All he has is a fierce desire to succeed Will he During his course he befriends Mythili and feels for her but unable to express it Will he find true love in her He finds a job in an upcoming software company whose proprietor is moved by his selfless non complaining cheerful behavior His search for excellence is genuine and childlike Girls swoon over him and he keeps away and that increases his appeal At a party in the proprietor's house he meets Asha the new PRO of the Company a Bombayite who has a past to hide and owns a hotel in Ooty At Sushma the proprietor's wife's insistence he goes with her for a holiday to her hotel He is too innocent to realize he is a victim of games being played and being seduced On a motorcycle ride in the hills she is touched and moved by him He tells her about his phoenix moment A phoenix moment is when truth dawns on you and you look back on a particular thread in your life which often though not necessarily is a series of misfortunes or uncomfortable moments The new understanding that comes offers a reason for this chain and the truth that emerges suggests appropriate responses which are new goals and thinking His phoenix moment is after his girlfriend passes away in Delhi What is his new resolve At a young age he is made the head of new department for solving the software millennium problem the biggest hoax of the century He works hard travels as the Company's troubleshooter till he decides to venture and build a global business in Elegant programming a little known methodology for creating software Meanwhile his Company is facing life threatening crises Does he understand their reasons Can he fix them During a visit to Ooty he comes across two sheets of paper deciphering them he smokes the proprietor's money laundering business enrolls government's law enforcing agency and guns for justice Packed with developments that created the software landscape of the country the practice of oneness the necessity of focus for success true understanding of desire and its management phoenix moments that generate the sensibility to relook at one's own life and thereby the extinction of suffering and knowledge and secret of his existence while engaging with the world are themes that run through the book Ajay's Restlessness is realistic fiction There are countries trying to grow their software and call center industries English speaking youngsters new age entrepreneurs those working with intellectual property readers of thrillers and mysteries will find it engaging
